

## Carina Sluyter

I was born in the Netherlands Utrecht. And I finished the *Hogere School voor de Kunsten Utrecht* at my hometown. Kunst en Kunstbeleid at *Open University Heerlen*.

Another passion is dance. I was teaching both subjects.

It is a pleasure for me to teach and let children or adults explore their talents and discover creativity. It brings a lot of fun!

For me making art is a quest with forms colors and ideas.

## Exhibitions
